

## Baseline® Pinch Gauge - Mechanical - Gold - 900 g

### Product Information

Weight	0.9 kg
Brand	Baseline
Item No.	1021801

- 
- New Product

### Description

Baseline® mechanical pinch gauge has a 2 pound capacity especially for weak and damaged hands. Unit has a gold body. The pinch gauge allows for measure tip, key and palmer pinch strength in both pounds and kilograms. Measurements are accurate and repeatable. The Baseline® pinch gauge is made in USA and results are consistent with published Markowitz studies. Maximum force indicator remains at the maximum reading until reset. The strength reading can be viewed as pounds or kilograms.

### Features:

- Measure tip, key and palmar pinch strength in lb and kg
- Accurate and repeatable measurements
- Results are consistent with published Mathiowetz studies
- Indicator remains at the maximum reading until reset
- Includes protective case

CE Certified. Comes in a protective carrying case.
