Description

3BTAPE Bulk Kinesiology Tape Rolls!

3BTAPE is used in Kinesiology taping treatments of muscle fascia and performance enhancement. **3BTAPE** Bulk rolls are perfect for clinics and athletic trainers who are constantly using Kinesiology tape on their clients who want to buy in bulk and save money.

3BTAPE is made from a cotton rayon fiber that is latex free and is hypoallergenic. **3BTAPES** have a skin-friendly, thermoplastic wave-like acrylic adhesive on one side. The wave like adhesive is used to push sweat and moisture away from the tape. This means that **3BTAPES** are water resistance, air-permeable and do not come off in the shower, pool, or sauna. They can be stretched lengthways by approximately 130 - 140%.

3BTAPE Bulk rolls are 31m x 5cm (102' x 2" in.) in length and are available in Beige, Blue, Black, and Pink.

Kinesiology taping techniques can be used for many different applications.
