

14k Solid Gold Piercing Jewellery Lookbook

Please note prices don't include piercing service fee (£30 per piercing).

Piercing jewellery must be purchased on the day of your appointment to make sure that it is sterile, the right size for you and is suitable for your anatomy.

Stock moves fast in our busy piercing parlour so we are unable to guarantee that all styles will be in stock on the day of your appointment.

If you have your eye on something in particular, please email our customer experience team at help@laurabond.co.uk to check availability.
