

During our In Tandem lessons, we are learning:

- How to read and spell high-frequency words.
- How to read and spell words with long vowel patterns that end with a silent e: for example, *dime* and *plane*.
- How to read and spell words ending with the trigraph *tch* (three letters that together spell one sound): for example, *patch* and *watch*.

Here are some activities for you to do to help reinforce your child's new learning and review what we have worked on previously.

- **Reread:** Your child will be getting two stories to reread: the Phonics Storybook and the Paired Book. For the Phonics Storybook, your child may choose to read the tear-out story from the Activity Book or read the book on the Digital Reader. For the Paired Book, your child's teacher will assign it on the Digital Reader after it has been read in the classroom. Have your child read each story to you. Listen for them to read the words accurately, smoothly, and with expression.
- **Scavenger Hunt:** Using the tear-out story from the Activity Book, magazines, or newspapers, have your child search to find any words that have the target phonic element or sight words and circle or highlight them. In magazines and newspapers, they can also search for images that have the target phonic element sound.
- **Sight Word Tic-Tac-Toe:** This sight word game is like traditional tic-tac-toe, but instead of each player using an X or O, each player chooses a sight word to play with. Begin by drawing the hashtag tic-tac-toe game board. Have each player choose the new sight word or a review sight word and write it in a box. Each player reads the sight word after they write it in their chosen tic-tac-toe box. The first person to get three words in a row wins.
- **Draw and Label:** In this activity, your child will draw pictures of things that contain the phonics skill they are working on. After they draw the picture, have them write the word to label what they drew.
- **Write a Retell (fiction):** After your child has reread the story, have them write to retell the story. They can choose to write about the Problem and Solution or the Beginning, Middle, and End. Encourage them to use at least one word with the target phonic element.
- **Facts Learned (nonfiction):** After your child has reread the nonfiction book, have them write three to five facts they learned about the topic. Encourage them to use at least one word with the target phonic element.
