SIENA 750 2L

LEFT SIDED CORNER WOOD FIRE

This modern minimalist wood heater can blend into a multitude of design interiors, with the flexibility to be used as an open fireplace or slow combustion unit, this corner fireplace will make a statement in any open-plan space.

Placed in the center of a room, or against against a brick wall, this beautifully crafted cast iron is sure to catch your eye from multiple angles.

Whether installed as a built-in or left freestanding, the high-quality craftsmanship guarantees reliability and durability.
