SIENA 750 T

INBUILT TUNNEL WOOD FIRE

This modern minimalist wood heater can blend into a multitude of design interiors, with the flexibility to be used as an open fireplace or slow combustion unit, this double-sided fireplace will make a statement in any open-plan space.

Designed to be enjoyed from both sides, this is the perfect unit to divide any space.

Placed in the center of a room, or even the most modern warehouse conversion, this beautifully crafted cast iron is sure to catch your eye.

Whether installed as a built-in or left freestanding, the high-quality craftsmanship guarantees reliability and durability.
