CAB-MAN-1U-5-10

1U Rack-mount
Super-Wide 5-Ring
Cable Management

Quality Cable Management Solutions For Cabinets

Need effective cabling routing within your data cabinet our enclosure? Need to maintain effective post installation maintenance of networking or PBX patching?

The new **CAB-MAN-1U-5-10** is a quality, alloy manufactured 5-ring cable management panel, 1U in height as regular management panels, however the ring high has been increased to 10cm.

Ideal for larger amounts of networking or PBX patching together with reduction in cable sag due to fewer rings, it will also help maintain correct posture of CAT6 or higher cables together with fibre optics.

Ideal for all types of enclosures and cabinets and easy to fit between patch panels and other rack mount equipment and devices.

specifications:

1U, 5-Ring, 19-inch Cable Management Panel

Super-Wide 10cm(H), 4.1cm (Aperture) alloy ring design

Quality, alloy constructed, powered coated design

Ideal for effective post-installation patching cable routing

Helps keep switch ports clear and identifiable

Perfect for wall, telecom, data and server enclosures

Overall dimensions: 48.3cm (W) x 4.4cm (H) approx.
Rings: 10cm (H) x 4.1cm (Aperture)
