CAB-MAN-1U-BWR

1U, 19-Inch Integral Cable Management Panel

Quality Cable Management Solutions For Cabinets

You've got your cabinet or enclosure and you need an effective cable management solution to correctly route copper, fibre or broadcast cables with minimum fuss?

The new LMS Data **CAB-MAN-1U-BWR** is a low cost but highly effective cable management solution for almost any type of wall, floor, server or broadcast enclosure. Manufactured completely from alloy and generously powder-coated, the CAB-MAN-1U-BWR is the must-have cabinet accessory for both post-installation design and of course ease of maintenance.

Ideal for Cat5e, Cat6 and fibre networking installations that need delicate placement without blocking network ports, the design also features 4 separate brush strips so ideal and secure cable routing can take place through the cable management panel itself.

enclosures - power distribution - cabling
