Redefining Cost Effective Data Centre Enclosure Solutions

Wanting a cost-effective,
no bundled accessory
universal server
enclosures for your
business?

The new range of LMS Data ValuCab 1000mm deep universal enclosures are probably just what you are looking for. No bundled accessories such as fan trays or shelving, just a standard, UK assembled 19-inch enclosure available in a range of popular sizes.

With an extended enclosure depth means you can deploy almost all rack-mount servers from the likes of HP, IBM, Dell and Fujitsu with minimal fuss*. Ideal for the extra deep form-factor also of managed switches, SAN and of course rack-mount power solutions, the LMS Data ValuCab is ideal for both private and public sector deployments.

LMS Data does not skimp on the accessories you will always need, these included ball-raced castors and fitted jacking feet to help deploy the ValuCab in its ideal position, securely.
