**15** Arrange your image(s) within the space creating your gang sheet. Tip: Two 11inch images with fit side by side on a 23inch gang sheet.

**16** Example 2 of the empty space around your image.

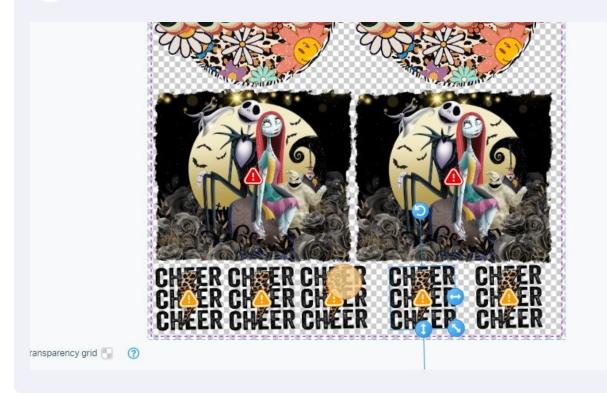

#### Click the "Trim transparent space" field.

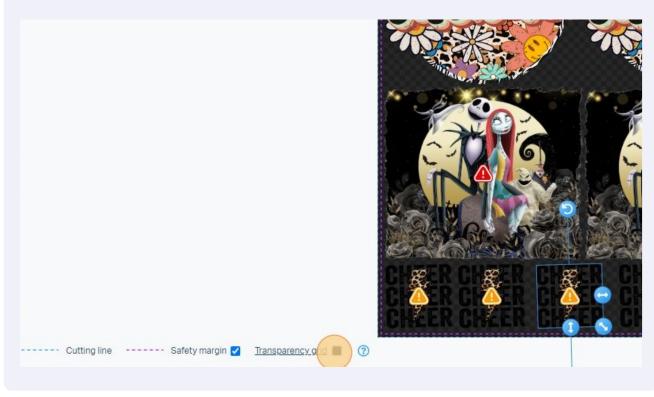

See the difference? This is a very important step to ensure proper sizing of your image(s).

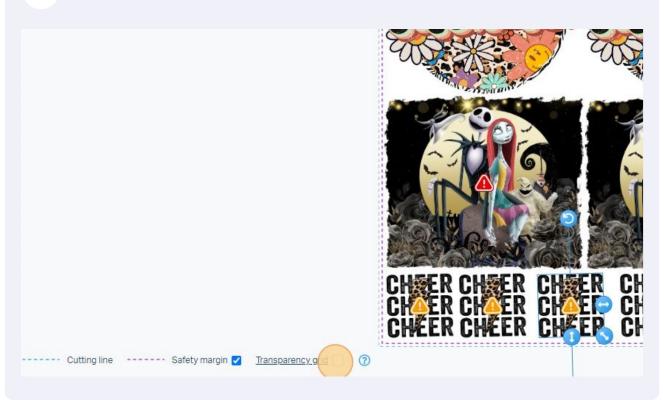

**19** For the most savings fill up the entire gang sheet with images.

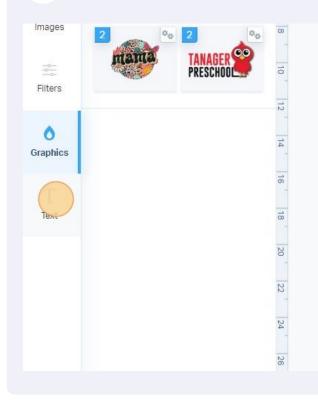

20 If you have having a hard time seeing your image(s) because of the background click here to change the color.

#### 21 Click here.

#### **22** You can also add text to your gang sheet by clicking this icon.

# 23 Click "Add new text"
