

HOLLYWOODLAND

THE PREMIERE WATCH

USER MANUAL

Thank you for purchasing a HWC Premiere Edition. Your watch is powered by a RONDA normtech movement.

All 43mm Premiere Edition watches (Mulholland, Wilshire, Rodeo, & Bel Air) have a caliber 715

All 36mm Premiere Edition watches (Sunset, Beverly, Melrose, & Venice) have a caliber 705

Your watch was assembled in Switzerland using a Swiss made RONDA movement. Please note that no watches are produced or distributed under the RONDA brand.

In case of repairs, guarantee claims and questions concerning the functionality of your watch please contact your retailer or Hollywood Watch Company toll-free: 1-888-902-9982 or by email at info@hollywood.watch

Position I: Normal operation

Position II: Quick-change for date

- Pull the crown out to position II
- The hands will continue moving normally (watch will continue to run)
- Turning the crown clockwise will advance the date forward
- Return the crown to position I (Adjusting the date in position II between approximately 9:30pm-midnight will result in pm to am change. Explained: If the time is 11:15pm and you advance the date in position II the movement will be reset to 11:15am)

Position III: Setting the time

- Pull the crown out to position III (watch will stop)
- Turn the crown until the desired time is displayed, keeping in mind the 24h cycle
- Return the crown to position I
