1. Before: Kinky hair in shrunk stage

2. Blow out kinky hair with a paddle brush for length

3. Hair fully blown out

4. Section hair into 6 sections: 3 back and 3 front

5. Side view of butterfly sectioned hair

6. See side section. Add curly buttercreme or baby butter creme to this section.

7. Twist up into small sections

8. After fully twisted sit under a hair dryer for 30 minutes to "set" the twists.

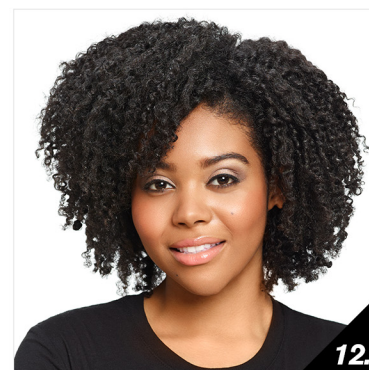

9. Fully dried twisted hair

10. Unravel or take out twists.

11. Take a pick to lift unraveled twists from the roots. Do not pull pick thru the hair entirely. Lift pick about 1/2 way from the root for fullness.

12. After - Beautiful!
