

BlissCo Prepares for Revenue

With supply partnerships, a patient acquisition strategy and an oil production license secured, BlissCo is poised to hit the ground running come legalization

Not for distribution in the U.S. or to U.S. Newswires

Vancouver, British Columbia – August 22, 2018 – BlissCo Cannabis Corp. (CSE: BLIS) (FRA: GQ4B), (“BlissCo”) or the (“Company”) is pleased to announce that the company is on track with its milestones and laying a strong foundation for sustainable domestic and international revenue growth.

“With two supply partnerships under our belt, an oil production license secured and a telemedicine smartphone app set to launch, we are well on our way to hit the ground running come legalization,” said Damian Kettlewell, CEO of BlissCo Cannabis Corp.

The company is also on track to receive its sales license in 2018, launch a Shopify e-commerce website and unveil the next evolution of its brand for its projected October launch.

“A focus on our patients is paramount to us, so we have put a lot of care into selecting our partners and distribution channels. The momentum is building daily and we are consistently meeting our milestones and building sustainable partnerships that will allow us to execute on our growth and revenue strategies,” added Kettlewell.

About BlissCo Cannabis Corp.

BlissCo Cannabis Corp. (CSE: BLIS) (FRA: GQ4B) is an ACMPR licensed producer and future distributor of ultra-premium cannabis. The company sits at the heart of an international ecosystem and is focused on the success of its domestic and global partnerships.

BlissCo leverages the latest technology and is continuously developing its network of top-tier industry experts to drive the success of its brand and channels, moving premium Canadian cannabis to local and international markets.

BlissCo is backed by an experienced team that is deeply in tune and integrated with industry partners and BlissCo's future patients and customers.
