Hayday

INTRODUCING

Hayday

Introducing HAYDAY, a new collection of luxury leathers that is sure to define a sophisticated new chapter in interior design. Hand-selected from one of the finest Italian tanneries, these full grain, aniline dyed leathers feature a two-tone, tipped grain effect. Their eye-catching, subtle texture is equally matched by 9 beautiful tones ranging from WHEAT to PASTURE to MANGER. HAYDAY is soft to the touch yet durable enough for heavy traffic areas thanks to a best-in-class, protective finish. So whether your next design project is hospitality, contract or residential in nature, HAYDAY is the perfect choice for what are sure to be considered the best modern, yet classic, interiors of our day.
