

# SEE Her WORK Glove Sizing Chart

- 1) Print this image (as is).
- 2) Ensure picture is still to scale using the 1" measurement.
- 3) Use a pen or pencil on the circular anchor point in the web of the thumb for measurement. Press right hand against anchor.
- 4) Mark on the paper 4 key points where:
  - A) Thumb Size - \_\_\_\_\_
  - B) Index Finger Size - \_\_\_\_\_
  - C) Index Finger Web Size - \_\_\_\_\_
  - D) Palm Size - \_\_\_\_\_
- 5) Average the measurements for best fit. E.g. if three of four points are XL, then order XL.
- 6) If between sizes, then go smaller as gloves stretches with use.
