

GYM & FITNESS EQUIPMENT

A LEADING SPORTS AND FITNESS COMPANY BASED IN UAE.

We are the distributors of premium and quality Fitness and Sports products. We offer a wide range of Fitness products and offer competitive prices too, with free delivery and installation to our clients in UAE.

Moreover, we deal with famous brands such as APUS, Skinners, Lebert, Concept 2, 1441 Fitness, TRX, Promixx, and others brands, as we aim to provide the best and quality products to our clients.

WWW.PROSPORTSAE.COM

DUBAI - UAE

ABOUT US

Pro Sports was founded in 2009 with a vision of distributing cricket equipment to the local cricket clubs in Kuwait. Our humble beginning started from a small store with only one sport's products in 2009. Since our incorporation in 2009, ProSports has now grown into one of the biggest sports distribution companies in Kuwait and UAE with over 10 exclusive brands. Along with our success in the distribution and retail field, in 2013 ProSports expanded into an online shopping store for better services to our esteemed customers. ProSports offered special discounted prices on our Online Stores in Kuwait and UAE.

Alongside the retail outlet, Prosportsae.com & Prosportskw.com gives you access to a wide range of quality sports equipment, which can be delivered to your doorstep from our online catalogue.

Our famous brands such as GM, Yonex, Unicorn, Powerglide, Molten, Zoggs, SS, Ihsan, Malik, Flowin, Elliptigo and others, provide sports gear which will help you train and improve in your chosen sport or activity whether you are a beginner or a professional and exceptional value which means you can get more worth for your money! You can keep fit, socialize or simply enjoy yourself using the first-grade equipment available at Pro Sports

Our mission is to be the premier sports store of choice on the web, by continuously adapting to our customers' changing needs. We offer an unparalleled shopping experience by providing convenience and delivering exceptional customer service. As we continue to offer excellent value on sports equipment and sportswear, we are always pleased to hear from our customers.

Cast Iron Competition Kettlebell

KNOW MORE

- The shape of competition kettlebells makes performing kettlebell exercises that predominantly utilize the overhead and rack positions easier.
- Made from the highest quality steel available .
- Each weight has been assigned a different color so that the weight of the kettlebell is easily identifiable.
- 1441 Fitness competition kettlebells also have extremely smooth handles which are intended to prevent blistering and grip fatigue.
- Each kettlebell has a wide base which provides extra stability. The extra stability provided by the wide base makes storing the kettlebells.
- Competition kettlebells additionally provide fantastic dynamic flexibility.
- The size of different weights of competition kettlebells is kept constant. This makes performing kettlebell exercises more consistent no matter which weight you use.
- Suitable for indoor and outdoor use.

SQUAT RACK

POWER CAGE
LAT ATTACHEMENT
PULLUP BAR
HALF CAGE

A squat is a strength exercise in which the trainee lowers their hips from a standing position and then stands back up. During the descent of a squat, the hip and knee joints flex while the ankle joint dorsiflexes; conversely the hip and knee joints extend and the ankle joint plantarflexes when standing up.
