- CLASSES -

Spiral Star | (Beyond Beginner) | 2 Wednesdays | April 1 and 15 | (9-12)

You may have seen a square version of this quilt on social media. This is Mike's version using 18 gradated blue fabrics set against a black background. Cut strips and sew your strata; and then use a wedge roller to cut them to a perfect size. This is not a beginner quilt - but with Mike's guidance, this queen-sized show-stopper will fit together like a dream.

Kits and patterns available | Instructor Mike Ellingsen | Class \$35

Chick Magnet | (Beginner) | 1 Saturday | March 21 (1-4)

This class teaches you the basics of applique. Come to class with your background put together and Merle shows you the process and tools necessary for successful applique while you make this adorable 12-inch simple-to-complete mini-quilt. With the easy shapes and fun pattern you'll be done in time for spring.

Kits and patterns available | Instructor Merle Stensrud | Class \$30

Tuffet | (Beyond Beginner) | 2 Wednesdays | April 29 & May 13 | (1-4)

You will take home a finished tuffet under the guidance of Charlie. In the first class Charlie shows you how to make the covering. In the second class Charlie shows you how to assemble the tuffet, complete with a perfectly covered button and black feet. The popular round tuffet patterns and kits are also available.

Patterns, tuffet hardware kits and fabric kits available | Instructor Charlie Hoerth | Class \$35

Beacons | (Beginner) | 2 Tuesdays | April 28 & May 12 | (6-8:30)

Start off in the right direction learning the basics of cutting, piecing, pressing and assembling this modern, fat-quarter-friendly throw by Purple Pineapple Studio. Pick a kit or choose your own fat quarters. Merle's method of teaching makes her class both fun and relaxing. No pressure here, just a ton of fun and learning!!

Kits and patterns available | Instructor Merle Stensrud | Class \$35

Joseph's Jacket | 1 Thursday | April 16 | (1-4)

All you need is 15 fat quarters plus binding!! This is one of Mike's newest patterns to make a 46 x 53 bargello quilt with no seam-to-seam matching. Select the kit in beautiful peacock tones - or choose 15 FQs using your own colors. All straight line beginner sewing to make a stunning half-drop bargello throw.

Patterns and kits available | Instructor Mike Ellingsen | Class \$30

Git 'er Done | 1 Thursday | April 16 | (5-8)

Do you have a project that you've gotten stalled on? Bring it to class and Mike will help you get over the hurdles. Whether it is a question on construction, pressing, binding or just understanding the instructions, this is a chance to get some help and git 'er done!

Instructor Mike Ellingsen | Class \$30

Chicks in the Garden | 1 Thursday | April 16 (9-12)

Janet Nesbitt is back with a new series under One Sister Designs. This wonderful quilt filled with birds and flowers will make you smile every time - and Mike will lead you through the unusual cutting and construction. (It's not hard - just a little strange...) Once you understand the method, you will be ready for any of the other One Sister quilt designs.

Kits and patterns available | Instructor Mike Ellingsen | Class \$30

- CLASSES -

The Pines | (Beginner) | 1 Saturday | April 4 (1-4)

This paper piecing class will teach you the basics from the get go as you begin your paper-piecing journey. Merle teaches you the process and tools necessary for successful paper piecing while you make this wall hanging. Pattern by MH Designs.

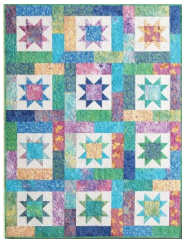

Kits and patterns available | Instructor Merle Stensrud | Class \$30

All About Bindings | 1 Saturday | May 9 | (1-4)

Quilt top pieced and quilted? Now what! Answers revealed in this class. You will learn how to determine size and amount of binding needed, how to cut and join strips together, sew to edge, miter corners (successfully) and stitch down by hand or machine. If you want a "hands-on" experience, bring a small quilt ready to go or create one 36 x 36 as a practice project.

Instructor Merle Stensrud | Class \$30

Lucky Stars | (Beginner Plus) | 2 Thursdays | April 9 & 23 | (6-8:30)

Stars sparkle centered between scrappy sashings in the Lucky Stars by Atkinson Designs. Terry Atkinson writes an easy-to-follow pattern and Merle guides you through the process to completing the top. Calico Hutch has several versions from which to choose so you can get the result you are looking for. You'll thank your lucky stars as Merle teaches you all you need to know to continue your quilting journey. This is truly a class for a beginner with just a bit of experience.

Patterns and kits available | Instructor Merle Stensrud | Class \$35

Machine Quilting - Large and Small | 1 Wednesday | April 15 (5-8)

Mike has quilted over 200 of his own quilts on his classic Bernina 1090 and he is ready to share some of his secrets with you. This is a class where you need to bring in your own machine so you can practice quilting with your walking foot and free motion quilting foot—you won't be sitting on the sidelines watching. Mike will guide you a step at a time and you'll also have a chance to test drive the new model Bernina Q-20, a "sit down long-arm" machine!

Instructor Mike Ellingsen | Class \$30

Full Moon Rising | 1 Wednesday | April 15 | (1-4)

If you have wanted to learn Mike's method of sewing in circles without fusing or appliqué, this is your chance! Full Moon Rising makes a long table runner or wall hanging. Mike also recommends an alternate cutting layout that uses only 5 fat quarters plus binding. Once you add this to your quilting tool belt, you will use this technique over and over again.

Kits and patterns available | Instructor Mike Ellingsen | Class \$30
