JOSEPH'S JACKET Supply List

Mike Ellingsen, instructor

Decorah IA

507.602.0322 (cell)

mike.ellingsen.quilts@gmail.com

Pattern and kit or fabrics as needed according to the pattern

15 Fat Quarters (you can add more FQs for a longer quilt)

1/2 yard binding

Sewing machine with quarter inch sewing machine foot

Basic sewing machine supplies (needle, thread, pins, scissors, seam ripper)

Rotary cutting equipment (cutter, mat and rulers)

6" x 24" is a handy ruler size for this project

cutting mat - 24" x 36" is helpful

Painter's tape - about 1 inch wide (NOT masking tape) - and marker

Iron (with steam)

Please have fabrics pressed before class.

To get a head start you can cut each of the FQs into

(4) 4" x 22" (WOF) strips.

Note - if your fat quarters are wide enough, you can cut 4-1/4" or 4-1/2" wide strips instead - this will give you a slightly longer quilt.
