#### SECTION 4: First aid measures

<b>4.1</b>	<b>Description of first aid measures</b>
	If you do not feel well after exposure or if the problem persists, seek medical attention. If unconscious, place in recovery position and get medical attention. Do not give anything by mouth when unconscious.
	Inhalation: Remove victim to fresh air, keep calm and warm. If the problem persists, see a doctor.
	Skin contact: In case of skin contact, wash immediately with plenty of water. Wash contaminated clothing before reuse. Seek medical attention if irritation persists.
	Eye contact: Immediately flush eyes with plenty of water for at least 15 minutes. Do not rinse with a strong stream of water - risk of corneal injury. Get medical attention if problems occur.
	Ingestion: Do not induce vomiting. Rinse mouth with water and drink 1-2 dl of water. Call a doctor immediately.
<b>4.2</b>	<b>Most important symptoms and effects, both acute and delayed</b>
	The following symptoms may occur: After contact with eyes burning, tearing, redness.

<b>5.3</b>	<b>Advice for firefighters</b>
	Use suitable respiratory protective device. Collect contaminated fire fighting water separately. It must not enter the sewage system.

#### SECTION 6: Accidental release measures

<b>6.1</b>	<b>Personal precautions, protective equipment and emergency procedures</b>
	Restrict unauthorized access to the accident area until the accident is rectified. Ensure adequate ventilation. Avoid contact with skin and eyes. Follow the rules and regulations of work safety when working with chemical products. Use personal protective equipment. Do not breathe vapors or aerosols.
<b>6.2</b>	<b>Environmental precautions</b>
	Do not allow to enter sewers / surface or ground water. If the product leaks into water or sewage system inform appropriate authorities.
<b>6.3</b>	<b>Methods and material for containment and cleaning up</b>
	Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders). Keep in a suitable container and dispose of in accordance with local regulations.
<b>6.4</b>	<b>Reference to other sections</b>
	Section 8 and 13.

#### SECTION 7: Handling and storage

<b>7.1</b>	<b>Precautions for safe handling</b>
