ABOUT SPACE 18

We are an online lifestyle retailer, focusing on eco-friendly and thoughtful products that help people live a more peaceful and happier life.

Driven by the feeling that we experience at the spirited age of 18, a turning point in our lives that finds us eager to embark on something new and exciting. We are passionate about what we believe in and strive to make our world a better place for generations to come.

OUR QUALITIES

Professionally Designed

Space 18 products are designed locally by our team of professionals in Australia. This ensures we only create stylish and thoughtful products.

High Quality

With our wide network of international manufacturers, we choose the right person to produce each design, ensuring the highest quality finished product every time.

Eco-Friendly

We not only focus on using materials that are recyclable, but on producing high quality products that are made to last.

Functionality

Our motivation is to offer practical and functional products that are designed to be used in everyday life.
