ABOUT SPACE 18

We are an online lifestyle retailer, focusing on eco-friendly and thoughtful products that help people live a more peaceful and happier life.

Driven by the feeling that we experience at the spirited age of 18, a turning point in our lives that finds us eager to embark on something new and exciting. We are passionate about what we believe in and strive to make our world a better place for generations to come.

OUR QUALITIES

Eco-Friendly - We not only focus on using materials that are recyclable, but on producing high quality products that are made to last.

Functionality - Our motivation is to offer practical and functional products that are designed to be used in everyday life.

Professionally Designed - Space 18 products are designed locally by our team of professionals in Australia. This ensures we only create eco-friendly, practical & thoughtful products.

High Quality - With our many years of design & manufacturing experience, we oversee the whole process from start to finish, ensuring the highest quality finished product every time.

**1 PENCIL =
1,000 PENCILS?**

Global production of
normal pencils uses
an average of 600,000
hectares of forest
each year!

ETERNAL PENCIL 3

**A new generation of
Eternal Pencil is here!**

With a retractable tip, that can be sharpened, this eternal pencil is our most functional ever!

Created using the latest technology with a 99 step grinding process & die casting.

1 eternal pencil replaces 1,000 wood pencils, so it's ready to write whenever you are!
