ABOUT SPACE 18

We are an online lifestyle retailer, focusing on eco-friendly and thoughtful products that help people live a more peaceful and happier life.

Driven by the feeling that we experience at the spirited age of 18, a turning point in our lives that finds us eager to embark on something new and exciting. We are passionate about what we believe in and strive to make our world a better place for generations to come.

OUR QUALITIES

Eco-Friendly - We not only focus on using materials that are recyclable, but on producing high quality products that are made to last.

Functionality - Our motivation is to offer practical and functional products that are designed to be used in everyday life.

Professionally Designed - Space 18 products are designed locally by our team of professionals in Australia. This ensures we only create eco-friendly, practical & thoughtful products.

High Quality - With our many years of design & manufacturing experience, we oversee the whole process from start to finish, ensuring the highest quality finished product every time.

MAKE WRITING GREEN

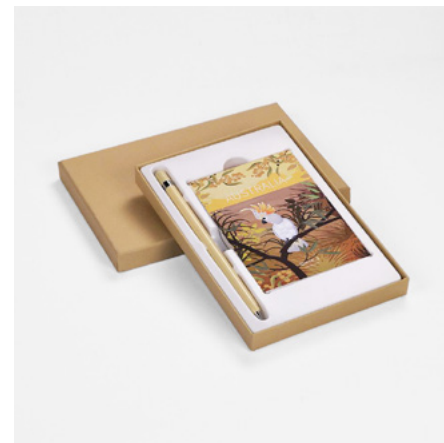

A collection of eco-friendly pens & pencils that use the latest technology to make writing green.

BACK TO BASICS

We've put together a range of stationery products to help kids reduce screen time, giving their eyes a rest and keeping their minds active.

READY FOR A COZY CUPPA?

Innovative & functional **Eco-Felt Hexagon Coasters** are perfect for everyday use.

They can be hung on the wall as decoration or put on the table as an attractive centrepiece. You can also slide pins and hooks into the soft felt to give it an extra function.

When it's time for a drink, the coasters easily pop out of the frame, ready for use! Then afterwards, test your puzzle skills by putting the coasters back in the right spot to complete the image!

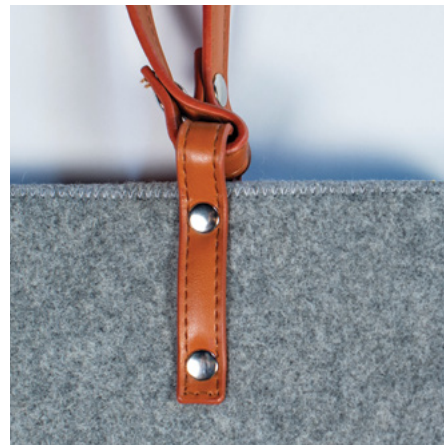

Available in plain colour and print finish.

KEEP CALM & CARRY ON

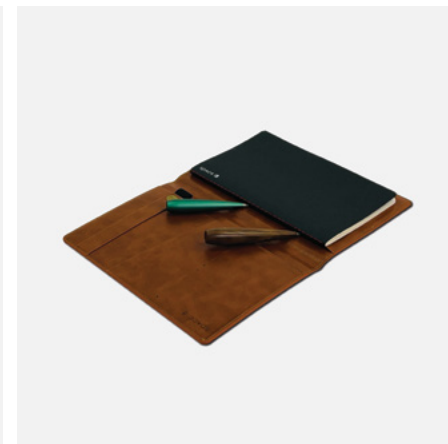

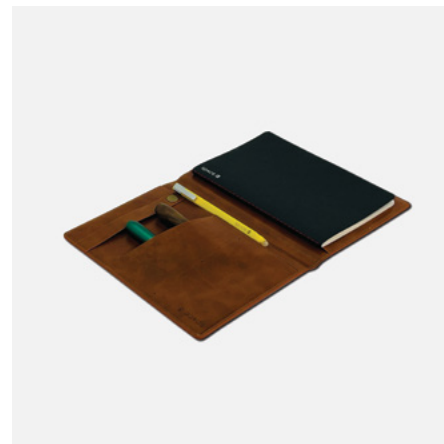

Balance body & mind by hopping on a bike and going for a ride. Cycling is a great way to get fit, ease stress & reduce your carbon footprint, so grab a **Space 18 Eco-Felt Bag** and get peddling!

SIMPLY SOLID

Made from quality, eco-friendly materials such as felt & premium PU leather, our tough, lightweight cases have plenty of room to store whatever you need throughout the day.

Made to last, these environmentally conscious cases keep your laptop & accessories safe & sound.
