

Alternative USB Converter Option

- There are various types of USB converters for purchase in the marketplace. There are some that have a headphone jack, and others with audio cables.
- Audio USB Converter
 - Plug the USB into any USB port and then plug your audio cables into the audio cables female end of this USB converter.
- Headphone Jack USB Converter
 - Plug into the USB port, and then plug the two ended green cable into the headphone jack, and the other end of this cable into the transmitter or the chair depending on the method you are using to hook up your gaming chair.
