Breaking The Rules...

Saul explained that the Lord had departed from him and that he wanted to know if Israel would defeat the Philistine army. Samuel did not have good news. He said that (28:19) _____ Saul and his sons would be dead like Samuel, and the Lord would deliver _____ into the hand of the _____ .

Psalms 51

12 MINUS 10 = 1?

One day Ahijah, a prophet of God, met Jeroboam as he was leaving Jerusalem. As they walked along, Ahijah said, "I have a message from God to you."

What happened to the missing tribe of Israel? (Clues: 1 Samuel 9:21, 1 Kings 12:21)

- They decided to move away.
- They died of a terrible disease.
- They were a small tribe living among the tribe of Judah.

THE BOAM POEM

From 1 Kings 11:42-12:20

(11:42-43) After ____ years reign, King Solomon _____,
And all of the Israelites mourned him and cried.

"We need a new king, and we've found the right one,"

They said as they crowned King Solomon's _____.

(12:2) When Jeroboam (who fled to _____ to hide)

Heard that his enemy, King Solomon had died,

He hurried back home to Israel again.

Now this is where Rehoboam's problems begin....

(Please don't confuse Rehoboam's with Jeroboam's name,

For though they're both "boams," they are not both the same.

They are two different men, and as you will see,

They soon became each other's worst enemy.)

(12:3-4) _____ and other great leaders one day

Went to the new king, _____, to say,

"Your father, King Solomon, made us all serve

With too heavy a _____ that we did not deserve.

(12:4-5) "So make our yoke lighter, and then you will see

That we your loyal subjects shall be."

King _____ said, "Go on your ways

And return for my answer, but give me ____ days."

(12:6-11) The king asked his elders, "Now what shall I do?"

They said, "Grant them their wish, and they will serve you."

But Rehoboam's friends who had _____ up with him said,

"Don't make their yokes lighter, make them _____ instead!

"Tell them that you are the great Rehoboam,

Much greater by far than Solomon, then show 'em

That instead of being beaten with _____ as before,

They'll be whipped with _____ until they are sore."

(12:19-20) The advice from the men Rehoboam consulted

Left the Israelites and Jeroboam greatly insulted.

This act by Rehoboam made the ten tribes rebel

And crown _____ their king of Israel.

Now Benjamin and Judah were counted as one,

And their king was none other than Solomon's son.

Rehoboam ruled from King David's throne,

But the two tribes he ruled were small and alone.

(12:15) So Israel split as _____ had spoken,

For the word of the _____ could not be broken.

So Reho- and Jero-, both of them "boam,"

Caused the division of Israel (and also this poem).
