

## SHOP FOR RESCUES

Hello... thanks for joining us here on our reports page.

For the month of March 2020, Shop For Rescues' total sales were \$4001.82, 3186.30 were gross sales, \$815.52 were returns, we had \$1248.70 in shipping costs and \$76.77 was paid in tax.

To be clear, the returns were actually cancellations related to a cleaning product that was needed by our good friend and distributor so they could keep their warehouses and offices clean and keep their employees safe and employed.

We are please to inform you that we have made \$808.95 in donations as directed by our customers to the following 501(c)(3)'s:

Mayte's Rescue Las Vegas NV  
Friends of Stray's Inc. Princeton IL.  
Best Friends Animal Society (Salt Lake)  
Humane Society (San Francisco)  
Villalobos Rescue  
Emily's friends  
Los Angeles Animal Save  
1964 (SHELTER #1148365) Dallas County Grand Prairie, TX  
Belgian Tervuren Rescue

Again, we are encouraged to see our customers continuing to support the animal rescue "not for profit" sector and create a means of support for 501(c)(3)'s separate from personal donations.

Moreover, as mentioned almost every month, by joining SFR as an affiliate, 501(c)(3)'s can create their own campaigns for their fundraising efforts directly to their sphere of influence and simply use SFR for the fulfillment; what this could do is provide 27.5% of each sale's gross as a supportive means to the 501(c)(3) as well as have members help fulfill wish lists.

March's Expenses were Google Ads, Facebook Boost, Site/Software fees, Artwork and Banking.

Lastly, we believe the Company will continue to gain positive exposure and sell more cruelty free pet supplies. Our ongoing objective is to donate more money to more animal rescue related 501(c) (3)'s next month.

Regards,
