

The Quad Core 1.3GHz processor offers **the ideal performance to run basic everyday apps,** and browse the Internet.

With 1GB (RAM) and 8GB (ROM) memories expandable up to 32GB, the YEZZ 4E allows you to download the most up-to-date mobile apps.

Comes with the Android OS v8.1 Oreo (GO Edition) installed. This "light" version offers a complete and fast experience for devices with basic memory, with smaller apps (50% smaller) to give you more storage space.
