

NEW

YEZZ 5E

The E series has a fresh, Young and relaxed personality.

Designed for those who want to **stay connected** through calls, video calls, text messages, email and internet with a **modern smartphone of great quality and technology**, without having to assign a large part of their budget to mobile technology.

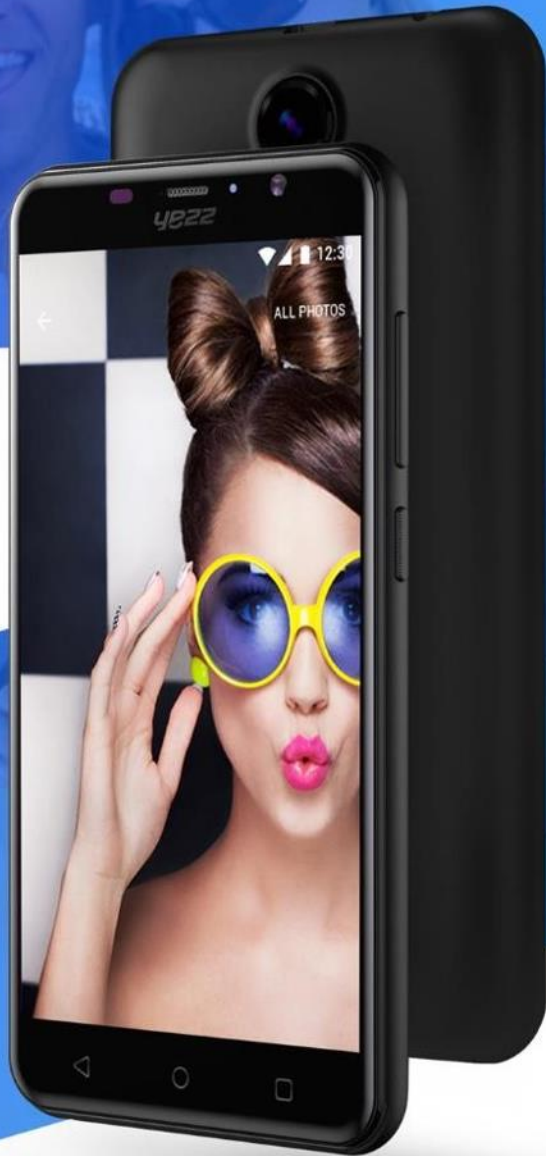

The Quad Core 1.3GHz processor of the YEZZ 5E offers the performance to smoothly run basic apps.

With **1GB (RAM) and 8GB (ROM) expandable up to 32GB memories**, the YEZZ 5E allows you to store your favorite multimedia content.

Comes with the **Android OS v8.1 Oreo (GO edition)** installed. This “light” version **offers a complete and fast experience** for devices with basic memory, with smaller apps (50% smaller) to give you more storage space.

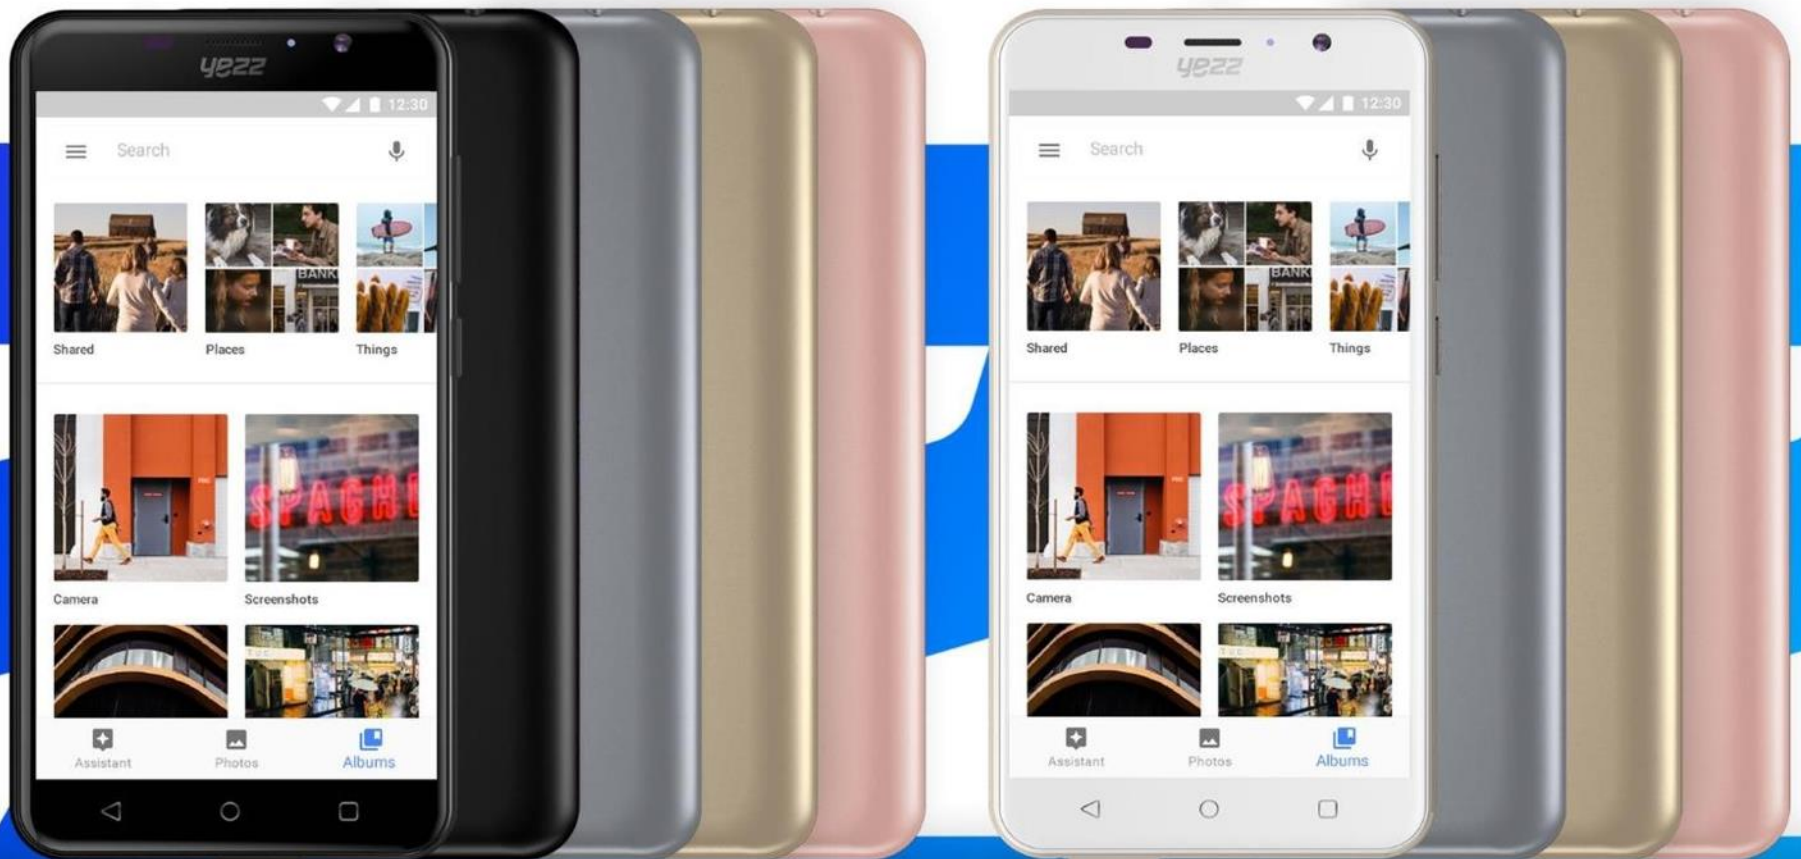

The best way to immortalize your most amusing, crazy and incredible memories; is with the **5MP y 2MP cameras of the new YEZZ 5E.**

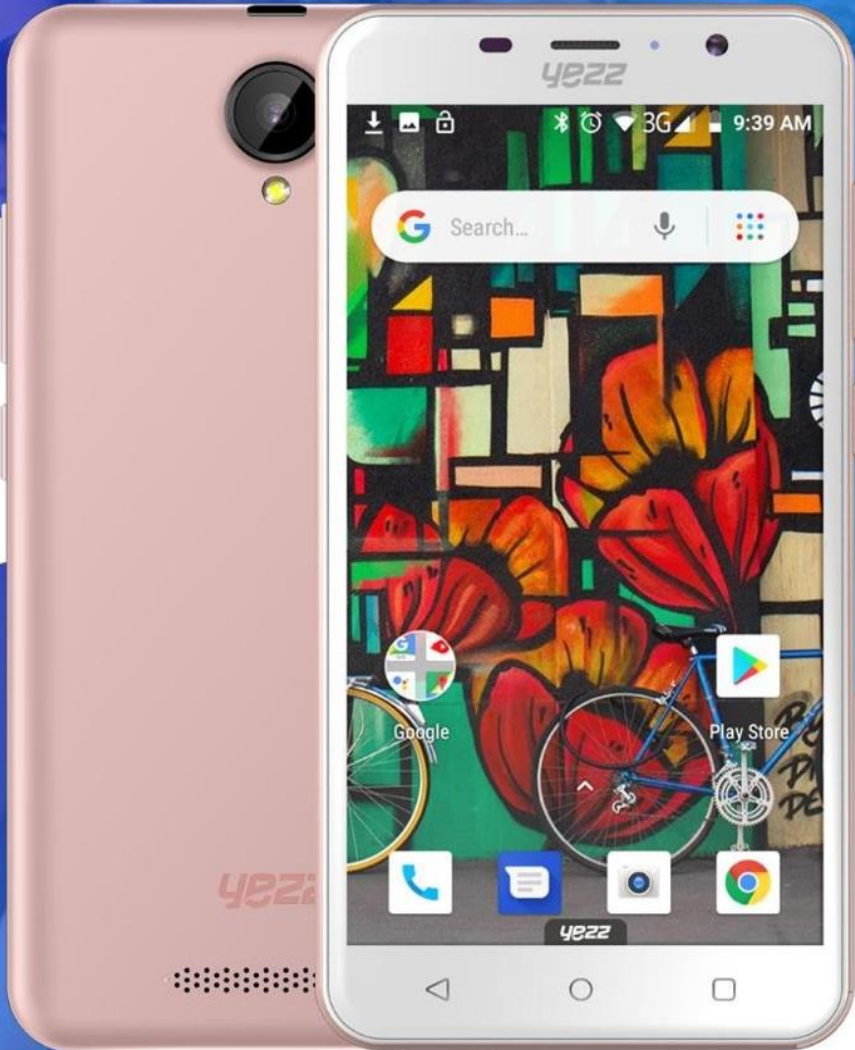

The **5" screen and 2.5D curved glass** gives you an extraordinary multimedia content visualization experience.

It has a **2000mAh battery**, which will allow you to stay active and to communicate all day.

The **YEZZ 5E** is available in an extraordinary variety of colors; chose between **White or black front** and combine it with a **black, dark gray, gold or pink battery cover**.
