

4P22 5M

The **M series** is for those who want to go further. The smartphones of this series offer **quality, technology and performance** with great screen quality, good camera resolution and processing power.

For the M series users, the design is also important. They appreciate **a thinner and lighter phone** that better suits their personality and modern style.

Enjoy a multitask smartphone
with the **Quad-Core 1.3 GHz
processor.**

The 1GB (RAM) and 8GB (ROM)
memory expandable up to 64GB
offers the speed you need to **run
multiple apps and optimized
storage.**

Make the most out of the recent
version of **Android OS v6.0
Marshmallow.**

Awake the photographer in you with the 8MP and 5MP cameras **and capture your best moments with friends.** Brag about your skills in the 5-inch HD IPS screen.

The entertainment never ends with its **2300 mAh battery.**

Available in **black,**
gray and gun metal
to add elegance to
your personal style.
