

**4G
LTE**

yezz 5M LTE

The **M LTE series** is for those who want to go further. The smartphones of this series offer **quality, technology and performance at 4G LTE speed** with great screen quality, good camera resolution and processing power.

These devices are thinner and lighter to better suit users' personality and modern style.

The 1.0 GHz Quad-Core processor delivers the **performance you were expecting.**

With **1GB of RAM and 8GB of ROM** memory expandable to 64GB to store all your digital media and apps.

The YEZZ 5M LTE utilizes **the 5.1 version of Android OS (Lollipop).**

Capturing **high-resolution images** is one of the best attributes of the YEZZ 5M LTE with a 13MP rear camera with HDR (High Dynamic Range) options and a 5MP front camera.

Its 5-inch screen with HD IPS resolution is also **protected by Dragon Trail glass**, a thin yet resilient layer that offers added toughness and protection from bumps and scratches.

The **2200 mAh battery** will give you endless hours of enjoyment.

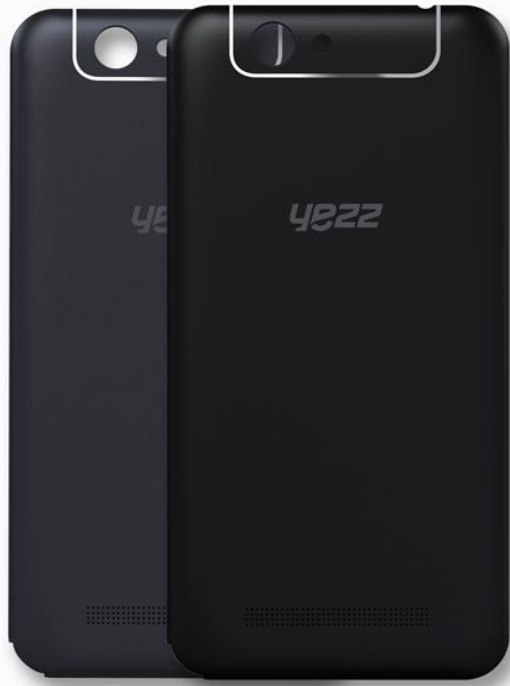

Available with **gun metal**
and black back cover.
