

YEZZ C50

YEZZ C50

The **YEZZ feature phones** are designed for those seeking for simplicity, accessibility and usability in a single device.

Their user-friendly interface makes them perfect for those who need to **communicate in their daily lives without complications**, also with extended features like camera, radio, bluetooth, among others in a high-tech and quality device.

We know that simplicity is important to you, but keeping up with technology is too. The YEZZ C50 offers the **best performance in a feature phone** with expandable memory up to 8GB via an external memory card.

Capture your favorite moments with family and friends with its VGA camera and share them on the 1.8 inch screen.

Available with dual SIM technology, Bluetooth v2.1, GPRS and 2G networks compatibility to **keep you connected wherever you are.**

The YEZZ C50 model comes with a **600 mAh battery** and you can also enjoy FM radio, and more.

Available in **blue, black and white.**
