MAX ¹
PLUS

The **MAX LTE series** is designed for **those who use technology to go further.** The devices in this series offer superior performance, thanks to memories and processors designed for the demands of multitasking users.

The design is also important, that's why this series has **fine and curved lines to create stylized models that suite the personal style of its users.**

The MAX 1 Plus is the device for you. The 1.3GHz Quad-core processor offers **energy efficiency to improve battery performance.**

The 2GB Y 16GB, expandable up to 64GB memories, make this new model your best ally in mobile communications, offering performance and speed.

Comes with **Android version 9.0 (Pie).**

**DUAL
CAMERA**

**SCREEN
5,5" HD IPS**

No other camera will make you look as beautiful as with the **facebeauty feature of the MAX 1 Plus.**

The stunning 5.5", format 18:9, **HD IPS resolution complete the ergonomic, modern, contemporary design of the new MAX 1 Plus.**

Fun never ends with the **2800 mAh battery.**

4B22

The additions of Voice over WiFi (VoWifi) and Voice over LTE (VoLTE) in the MAX 1 Plus, makes it the perfect communication partner, wherever you are.

The **facial unlocking** is another improvement that this new models bring to tech fans.
