GREASE GUN A

red spray grease
lithium-based

Sprays as a deep penetrating liquid that flows into areas which are difficult to lubricate. Then, as the solvent carrier evaporates, the liquid forms into a grease that is resistant to high temperature and pressure. After setting up, the grease will not wash away with water or steam and will resist throw-off and heavy shock load. Withstands acid, salt spray and oxidation.

FEATURES

- Contains No Chlorinated Solvents. (NO 1,1,1-Trichloroethane)
- Lubricates and Rust Proofs
- Air Cures to Resistant Grease
- Resists "Throw Off"
- Withstands Heat up to 500°F

USES

- Wire Rope, Open Gears
- Linkages, Draglines
- Fittings, Winches, Cranes
- Cams, Valves
- Cables, Hoists
- Pulleys and Rollers

<i>Specs:</i>	
Can Size	16 oz.
Net Weight	11 oz. (312 g)
Shipping Weight	0.688 lbs
Packaged	12 cans per case
Extender Tube	No
<i>Regulatory:</i>	
Ozone Depleting Compounds	None
Recyclable Package	Yes
Flammable	Yes
<i>Physical Characteristics:</i>	
Color	Red
Odor	Solvent
Shelf Life	1 year +

PLEASE RECYCLE
WHEN EMPTY
