Human Resources start here.

JER HR Group is a leading human resource firm helping companies develop their most valuable asset—people. For more than 25 years, we have worked shoulder-to-shoulder with clients to create HR practices and processes that cultivate a culture of growth, inclusion, equity and respect. Our in-depth, hands-on, bottom-line oriented experience helps you tackle some of today's toughest HR challenges.

As innovative leaders in human resource strategies, you can expect solutions that are impactful throughout your organization. Our consultants provide comprehensive HR strategy, policies and procedures, proactive training, and development to non-profit, for-profit and governmental organizations across the nation. We take a systematic approach that provides practical, measurable solutions.

Real solutions, in real time.

With so many regulations and requirements, it's easy to feel overwhelmed. Our consultants consistently provide current updates on evolving federal and state regulations, and the potential impact on your business. Our personal, online and mobile HR training solutions allow organizations to deliver a broad set of current HR training, compliance, coaching and development courses to leaders, managers, supervisors and other professional and support staff.

We also help organizations prepare for the unexpected. Visit TrainingNetwork.com to learn more about on-demand workforce safety and training programs, including active shooter training and emergency preparedness.

Great companies are made by great employees.

JER HR Group's strategic approach to recruiting and developing talented individuals, alongside state-of-the-art HR management technology, helps organizations measurably improve hiring decisions, employee engagement, retention and performance.
