PRODUCT CONFIDENCE

The cutting edge 20L Fan Forced Gas Geyser Range are the safest and most efficient gas water heaters on the market. This gas water heater is equipped with many unique features and is constructed out of high-quality components. After being compliance tested in the manufacturing plant, our products are tested again by expert technicians at our local warehouse. When your appliance has our approval stamp on it, you will have peace of mind – knowing your product is of the highest quality.

- 1 Year Warranty
- 88% energy efficiency
- Inverter compatible
- Ensures constant temperature when multiple outlets are used simultaneously
- Touch button temperature control
- Pressure Relief Protection (to function effectively, the valve must be set to your water pressure)

- Compatible with mixer taps
- The indoor RS20 can be installed in confined and unventilated spaces
- The outdoor OD20 has a weatherproof exterior
- Heavy duty copper radiator
- Compact design with a brushed aluminium cover
- Flame failure safety device

Max Gas Pressure 2.8 kPa	Rated Input 40Kw	Max Gas Consumption 2.9 Kg / hour	Water Pressure 25-500 kPa	Water Output (min/max) 2.5L - 20L / min	Rated Voltage 240V / 60Hz
IP rate IPX4	Rated Electric Power 45W	Unit Size 575 x 365 x 133 mm (+200 for flue)	Unit Weight 17.2 Kg	Packaged Size 740 x 430 x 220 mm	Packaged Weight 18.7 Kg
