

DANCING  
LEOPARD

Girl just  
want to have  
some fun

---

SPRING / SUMMER  
2018

Party season calls for late nights or nothing, so get ready to rebel in styles that were made to go all out-out. Hit the dance floor in leather-look minis. Sing your heart out in skimpy jumpsuits. Paint the town pink in head-to-toe leopard print. This is your time to go wild...

"Proof that you really can have fun all the time."
