

ORBIT B-HYVE XD BLUETOOTH SINGLE PORT HOSE TAP TIMER

The B-hyve XD Bluetooth Hose Tap Timer gives you complete control over hose tap watering from your Bluetooth device. No more dead plants because you forgot to water them. No more soggy lawns because you forgot to turn the water off. Download the free Android or iOS B-hyve App to program your timer. Complete control is available on the timer so you can water without using your phone if needed. For Wi-Fi access, pair with the B-hyve Hub (sold separately).
