

# WIIKWEMKOONG WELLBEING HEALTH CHECKS

## COMMUNITY NOTICE

**We are all committed to the health and safety  
of our community members.**

**We are all committed to you and your  
family's health and safety.**

**We ask you to help us in the effort to keep  
all of us safe and healthy.**

### **COMMUNITY WELLBEING HEALTH CHECKS**

**Starting Monday, March 30, 2020**

A team of Wiikwemkoong workers will begin calling each household in our community to check up on the health of each person/per household and ask COVID-19 Screening questions. This initiative is in response to direction from Chief and Council to start active monitoring of COVID-19 in Wiikwemkoong.

The screening will take **ONLY** a few minutes.

We urge you to participate in this initiative:

***For you, your family, your Wiikwemkoong.***

# What to Expect

**When our WUT Wellbeing Health Check team member calls you, you will be asked to confirm your household members and participate in the COVID-19 health screening questions.**

## **SCREENING QUESTIONS**

Do you have any of the following NEW symptoms: *Fever, cough, shortness of breath/trouble breathing, muscles aches, fatigue, headache, sore throat, runny nose or diarrhea?*

Have you travelled off the Island in the last 14 days?

Does someone you are in close contact with have COVID-19 in your household or workplace?

Are you in close contact with a person who is sick with respiratory symptoms : *Fever, cough, or difficulty breathing who recently traveled?*

**After we're done with these questions, if YOU have any questions, we can help connect you with a Nurse at Naandwechige-Gamig Wikwemkoong Health Centre**
