

JACOB MAY

FLORA BED

ABOUT

Who says "ornate" needs to mean "stuffy"? Dave created the FLORA bed with his first daughter in mind—its elegant, Shaker-inspired turned wood posts provide an irresistible surface for swinging from and climbing if you're a kid, but adults favor it for its bohemian juxtaposition of angles and smooth lines. Fully-rounded lines on the frame create a soft, smooth surface that makes changing the sheets much less of a chore, while its easy-to-disassemble design lends peace of mind for when it's time to move. In bleached or ebonized ash, it's a striking, sculptural addition to any bedroom—and one that will last for generations to come.
