

INYO DINING TABLE

ABOUT

Inspired by the Flora Bed, with its modern take on a classic turned post style, the Flora Dining table brings the alluring angles, some sharp, some smooth, out of the bedroom and into the dining room. The aprons dip smoothly down at the ends where they lock into the turned legs with mortise and tenon joinery. Bull-nosed table and apron edges and substantially radiused corners make the table a comfortable piece to gather around and sip the classic french wines that will pair so well with this classic table.
