

JACOB MAY

INYO BENCH

ABOUT

Created in collaboration with Dave's wife Marisa of Marisa Mason Jewelry, the INYO collection draws inspiration from the rounded arches of the American Southwest as well as the sculptural quality of the couple's favorite jewelry pieces. A slightly shrunken take on our INYO dining table's soft lines, the bench feels visually light and inviting thanks to its slightly rounded shape. Pull it up to our INYO dining table to create a perfect pairing. Like all the best couples, this dining set is full of pleasant contradictions: its solid-wood construction is sturdy and substantial, while its gravity-defying arch design lends levity and a bit of unexpected playfulness.
