

## INYO DINING TABLE

### ABOUT

Created in collaboration with Dave's wife Marisa of Marisa Mason Jewelry, the INYO collection draws inspiration from the rounded arches of the American Southwest as well as the sculptural quality of the couple's favorite jewelry pieces. The strong, distinctive geometry of the INYO dining table may be museum-worthy, but its softly rounded corners lend an accessible, welcoming feel that says "please touch". And when it's time for a change of scenery, the table breaks down into four easy pieces to allow for seamless moves, whether it's across town or across the country.
