## LORE BENCH

### ABOUT

The LORE bench is designed to make room—for guests, sure, but also in your space. Its legs are pushed to the farthest edge of the corners, where they meet the apron and top and are anchored by brass dowels, to maximize the allowance underneath. That means more room for leg-swingers at the dinner table or storage space in the front hall, as well as an open, airy feel that's uncommon for such a substantial piece. Try it alongside our coordinating LORE dining table—a perfect pairing.
