

JACOB MAY

LORE LADDER

ABOUT

You know that feeling when your towels are so pretty you can't bear to stash them away in the linen closet? We do. When our friends at Coyuchi—the sustainable-minded linen brand—were looking for a display solution, Dave came up with a solid-wood piece that lets your favorite textiles double as functional art when not in use (and keeps creases out, to boot). Each softly rounded rung fits neatly into the mortise in the vertical posts, and is locked in with brass dowels that are the trademark of the entire LORE collection. Drape it in blankets, scarves, beach towels, tablecloths...and never relegate them to the closet ever again.
