

LORE SIDE TABLE

ABOUT

The perfect bedfellow for the LORE bed. A highly customizable design allows our LORE side table to be adapted to suit your mattress height—as well as your habits, since a discreet drawer can be added to corral nighttime necessities. A handy finger groove at the drawer front and soft-close drawer slides keep things from going bump in the night. Finally, a floating lower shelf brings a lighter profile to the piece and offers space for book club reads or that favorite throw blanket, while softly rounded edges lend a comfortable, lived-in look for many nights (and mornings) to come.
