

JACOB MAY

LORE SIDEBOARD

ABOUT

Whether it's stacked high with plates for your dinner guests or quietly safeguarding your family's china, our LORE sideboard is the anchor of the dining room. Its classic yet commanding design takes the LORE collection's signature brass dowel detailing up a notch, introducing solid brass pulls to the continuous-grain exterior of this solid wood, heirloom-quality piece. Constructed to last generations, each side panel is set into Dado slots in the legs, allowing the wood to naturally expand and contract with its environment. Soft-close drawer and door hardware ensure a smooth glide, no matter if it's your first time hosting or your fiftieth.
