

JACOB MAY

NOMAD RECTANGLE COFFEE TABLE

ABOUT

Choosing between aesthetically pleasing and easy-to-move has never been our strong suit. So Dave designed the NOMAD collection—the best of both worlds (or both coasts, if that's your thing). When wanderlust strikes, this Scandinavian-inspired solid-wood piece breaks down easily into three parts, so it can be packed flat and re-assembled at your new home. The legs attach to the top bar with wedged tenon joinery for a solid, sturdy feel, while metal-to-metal hardware means you can break it down again and again and again—without worrying about stripping or damage. When you're all settled, the necessary assembly tool stores neatly in the attached leather pocket—one less thing to worry about misplacing in the moving van.

DIMENSIONS

Large	60" L x 28.5" W x 16" H
