SCRIBE BOOKSHELVES

ABOUT

With notes taken from the scribe side table designed for the bedrooms of the hacienda at Scribe Winery in Sonoma California, these bookshelves will provide a simple and elegant place for your books and other cherished objects to live. 6 standard sizes are available but the design is infinitely customizable. The clean vertical and horizontal lines you see in silhouette interact elegantly with the round edges and smooth curves that are experienced when interacting with the shelves. Built to be as beautiful as the contents of the books they hold for you. These are equally at home in a rustic Hacienda, a la Scribe, or in a crisp modern apartment that wants a touch of the handmade.
