SCRIBE SIDE TABLE

ABOUT

The essential perch for beside the bathtub, next to your favorite reading chair, or really anyplace at all, our SCRIBE side table holds infinite versatility in its seemingly simple shape. This solid-wood piece is available in a variety of heights, all crafted with the same softly curved tabletops, Dado joinery, and uniquely rounded legs that make it a modern classic. Dave created the original SCRIBE side table for our friends at the Scribe Winery Hacienda, to help outfit their laid-back but luxurious guest rooms—so naturally, it's especially suited for holding the evening's first glass of wine. And like Scribe's wine, it'll only get better with age.
