Vinmori

Heated Apparel Expert

CONTACT US

“I work in an environment of roughly 60 degrees F for extended periods (12+hours) and it’s a lifesaver. Very happy with the purchase.”

—Richard

“Very lightweight and thin vest . Can fit comfortably under your regular jacket or hoody”

—K.O'Brien.

“My husband works outdoors and I bought this for him thinking it would help him. He is absolutely in love with this vest.”

—Jim

“I bought this heated vest for my grandpa as Christmas gift, the heating function indeed relief his waist pain.”

— Rocket Star
