FROM *our* FOUNDER

Hosanna Revival is turning nine years old this year. Looking back over the past nine years, I am in awe of what God has chosen to do through Hosanna Revival. If you are reading this, chances are you are one of our retail partners—or are interested in becoming one. I wanted to simply take a moment to say thank you. The past year was a year of amazing growth in our company, and part of that is because of you, our retail partner! So from the bottom of my heart, *thank you*.

We are praying blessing and success over your business this year, and we can't wait to see how God continues to work in the coming year!

RESTORE MY SOUL

“Restore my soul” is the heart’s cry behind this collection as God’s Word breaks fresh ground in our hearts through beauty. The muted blue tones and mauve accents carry a sense of peace throughout the collection, calling our hearts to seek restoration within these pages. This winter, let the beauty of Scripture stir your heart again. Your intentional tool awaits.

PRINTED DEVOTIONALS

At Hosanna Revival, our mission has always been to excite people about engaging with Scripture by creating beautiful and intentional tools for their lives. That's why we were so excited to launch Hosanna Revival Devotionals in 2019, a beautiful tool created to help you engage more deeply with Jesus and his Word.

We spent a lot of time dreaming about these tools, because we wanted to produce these devotionals in a unique and beautiful way. We are always amazed and encouraged by the incredible community God has given us, and we love seeing the different ways so many of you share the truth of the gospel. Our dream for these devotionals is that they would be written by our community, for our community.
